Rob moved that P&C contribute \$10 000 to the 2024 Strategic Plan. Seconded Leanne Jones.

The department prefers one lump sum at the beginning of the year rather than small amounts incidentally. The school requires the following items:

- Class set of Ipads
- 10 student laptops
- ITD workshop tools
- New aluminium seating

It is estimated that \$10 000.00 would be the funding required from P&C.

Easter SWHA Campdraft Catering to be organized. Isabelle to set up a sign-up zone for donations and volunteers. The P&C have been booked to do the catering for the SWHA Campdraft to be held over the Easter Holidays, 5th, 6th and 7th April, 2024. Donations to be dropped to school by Thursday Week 10.

Rob suggested that committee members have committee shirts in order to be identified as belonging to Springsure State School when participating in fundraising activities. Leanne suggested that work shirts be purchased locally and then have a logo be attached.

Rob moved that an initial purchase of ten shirts be made for volunteers at fundraising events. Seconded Renee Howard

Glenys Ryan mentioned that in previous years Jan Wedmaier would provide meals for students who required a meal at school. At the moment, our families are financially stable and able to provide meals for their students. Glenys requested that if anyone required support to please consider her for assistance.

Mountain Magic Creative Muster requested the P&C to cater for their Meet and Greet BBQ on Friday 17th May. Catering is for approximately 20-25 people.

Isabelle moved that P&C Cater for this event. Renee Howard seconded.
