**Ski Trip** – Letter has been sent to parents from Renee outlining approximate itinerary and a rough estimate of costings. Expected \$2829 per student for the trip. If half of this amount could be fundraised per student, this would equate to \$50 000 or \$60 000.

### **Treasurers Report:**

Kirstie has proposed that for 2025 all recycle can and bottle monies to go towards the 2026 Ski Trip Fundraising efforts.

All present were in favour.

Kirstie has proposed that the 2024 Mostly Hills takings be transferred to the Ski Trip account. The members discussed that, in the two years prior to a Ski Trip, Mostly Hill Campdraft takings be targeted towards Ski Trip Fundraising. The following two years will then be directed towards the general P&C account. We will move \$9000 to the 2026 Ski Trip account.

All present were in favour.

Attached.

Moved Kirstie Smith, seconded Bec Pou

### **Bus Report:**

Bryce has looked into an electric jack and electric rattle gun in order to fix the issue with a seized jack. The approximate cost is \$140.00.

Bryce moved that we purchase the electric jack and rattle gun for the school bus.

All present were in favour.

Moved Tiarni Ritchings, seconded Sean Kajewski

### **Tuckshop Report:**

Corrisa has one helper this week in tuckshop. She is still struggling to find helpers to run tuckshop. Cut off for assistance in the tuckshop is Thursday. It was decided that, if no assistance is received, Corrisa will not be running tuckshop for that week. Sean suggested fortnightly tuckshop due to the difficulty in finding helpers.

Bec will forward the tuckshop sign up zone link to classroom teachers in order to share directly with parents. Hopefully this will improve the uptake of volunteers.

Corrisa will require a tuckshop float for Athletics Day. Assistance will be provided on Wednesday afternoon to move all items required for catering at athletics to the football clubhouse.

Moved Corrisa Cherry, seconded Amy Burns

### **General Business:**

**Cattle Camp** – P&C will consider this request and make a final decision at a further date.

**Footsteps** – This event will go ahead this year but it is quite expensive. Renee thinks this could be the last year we participate due to the inhibitive costings. Cost is \$40/student. We will pass this onto students where one student will be \$15 and two students in a family will be charged \$25. Possibly only include Prep – 3 in future.

**Garden Request** – Topsoil from the local feedlot cannot be utilised for the oval due to possible contaminants in the soil. Nat has requested a quote for topsoil with a registered company without the freight attached in order to lower the costs. However, the costs will still be significant.

**Ski Trip Fundraising –**

- Bryce suggested that possibly include a fundraiser to coincide with the opening of the pool. Melissa Hunter has offered a family pass as a raffle prize.
- Renee suggested that can bins be placed at the Junior League/Senior League for recycling. Volunteers would be required to empty these bins on a regular basis.

**Catering for Callide Dawson Campdraft in Rolleston** – Lauren Perrett has contacted Springsure State School P&C requesting consideration to cater for this event on **July 26<sup>th</sup>/27<sup>th</sup>**. They are only going for two days this year. This event is Week 2, Term 3. Members agreed to accept this fundraising opportunity and Isabelle will liaise with Lauren.
