General Business:

Glencore Grant – As soon as the money is received for the Uniform shop installation, Bryce will organise ordering of shelves and boxes. Bryce will oversee the installation of shelving and Robyna will organise the merchandise. Bryce will also oversee the concrete slab which will need to be put down before we are able to receive the container for the leftover P&C merchandise/stock.

Flexischools – TEAMS meeting with Flexischools was informative and P&C are impressed with this opportunity to manage both tuckshop and uniform shop. Group decided that this will be purchased for the start of the 2027 school year.

Bus Shelter – We will be using Ben Maloney's builder's number and Bryce has requested we use Sean Best's bobcat to prepare the area for the bus shelter.

Springsure Jockey Club – Japan Trip to cater for the canteen. Men's shed to support this effort by manning the bbq. Amy Thomas to follow up.

Springsure Working Horse Barwork – Many thanks to Tiarni, Bec, Lauren, Amanda Greer and Nat Higgins for the donation of their time at the bar. \$600 will be directed to the purchase of fertiliser for the oval. The remainder will be left in the general account.

Cattle Club – Bridget reported that ‘Vegemite’, the beast donated by Ros and Chris Cooper will be transported free of charge by Heather McLeod today. Will Hogan will see the beast and waive his fees in support of cattle club. Cattle Club took approximately \$12000 to run last year so the group is actively looking for ways to financially support it’s continuation.

School Trailer – Bryce to see Emerald Auction centre to see if they would generously waive their fee in order to sell the trailer. Funds to go directly into the general P&C account.
